Dear Church Family,

Thank you so much for your continued support. We have all benefitted from your loving care as Emily has undergone several months of treatment for cancer. The cards, food, monetary support and prayers have meant so much to us. We will do our best to "pay it forward."

She has finished her treatments, for now. She got to ring the gong, and sign her name on the wall at the M.D. Anderson Proton Therapy Center in Houston. She will return in two months for a scan to check for progress, so please continue to keep her in your prayers that the treatments were successful.

With love, Marjie and Jerry Jones

Emily, Dylan, Brayden and Emma Griffin

As I See It

As I write this, I am in the mode of anticipating the joy of the celebration of the fifty years that the Fellowship Cumberland Presbyterian Church has been serving the Lord in Mountain Home. The doors through which many have passed have been opened for many reasons. We have entered to worship. We have come for weddings and funerals. We have celebrated the baptism of new believers and the dedication of young children. We have come for concerts of Christian praise and renewal through vocal and instrumental music. We have renewed our commitments to serve GOD in more constant, committed ways. The list could go on and on.

I expect to see people who were important, vital servants to the mission of the local church. Many of them will tell stories of the vision which had been given to them by GOD for the growth of the church. I expect to hear stories about friends who are long past who gave of their best to see the Kingdom of GOD expand at this location.

I could go on and on about other things I expect to see and hear. I know that I will grow in knowledge and wonderment at what has happened in these past fifty years. These years give us a platform on which to build for the next fifty years. We must continue to build for the future or what was glorious just a few years ago will be crumbled rubble with no life left in it.

Never let the words from **Jeremiah 29:11** be far from our thoughts: **“For I know the plans I have for you, says the Lord, plans for welfare and not for evil, to give you hope with a future.”**

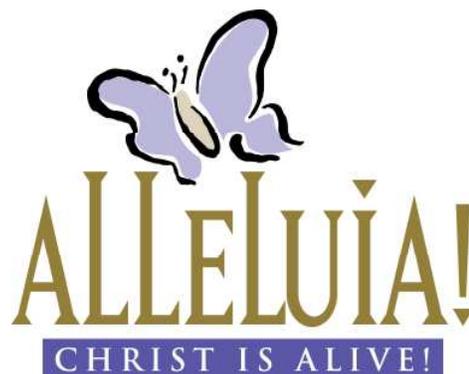

The Bluegrass Gospel Band did a marvelous concert for us on April 6. Not only did they do a wonderful job presenting the music, they were very polite and appreciative for what was provided in the way of food and being invited to share the music. The church gave Bethel University for the Renaissance program \$500.00 and \$490.00 was collected as a love offering. (Side note: Their director Kevin Moore plays with the Gaithers when he is not at Bethel. I had to pull it from him to get this info.) We have a wonderful university with great students and faculty in McKenzie, TN.

Thank you to each of you who have had a hand in making the Fiftieth Anniversary the success that it was. It took the efforts of all to make it as wonderful as it was. Now let us move forward so that those who are here to celebrate the 75th and 100th anniversaries will have much to say about how the church has moved forward to the glory of GOD!

I look forward to seeing you at church this Sunday so that we may worship and fellowship together!

Bro. Gary

Bethel Bluegrass Group

The Bethel Bluegrass Band from Bethel University in McKenzie, Tennessee, visited our church on April 6th. Everyone enjoyed listening to this talented group of musicians.

OK Club

On Friday, March 15th, the OK Club traveled to Branson, Missouri. We had a wonderful lunch at the Keeter Center at the College of the Ozarks, did a little shopping there, and went to the Hughes Brothers Show for great entertainment.

CP Crafters

The CP Crafters met on March 23, 2019. They made Placemats, and a beautiful card. Virginia Cornett was new to the group. The next meeting will be June 22nd. Bring your sewing machine and a ruler for the June projects. We will be making a tape ruler tote and hair holders from ties.
